Three bed, 2.5 bath farmhouse in the Tri-Valley School District situate on 3 acres. Partially wooded lot and creek side. Fenced in areas for animals, but could easily be removed to make a more spacious yard. New addition added in 2005 that was a beauty salon, but could easily be converted into an apt for extra income, a nice rec room or first floor bed/bath. This property is located minutes from state game lands, interstate 81, trail riding, and Deep Creek for trout fishing. 3 car/2 story heated garage and plenty of room for parking! Stay tuned for more photos!
